

An Easy Way to Support Our School

What a wonderful community of learners we have at Tonica Grade School this year! We so excited to help our students learn and grow. *We are happy to announce that the chrome books have arrived!!* We are working behind the scenes to get them loaded up and ready to hand out.

In the meantime, we have registered our school on **DonorsChoose**, an amazing website where individuals can contribute to public schools. Our first project is raising funds to get protective cases for the chrome books.

These cases will be for junior high students so they can be 1:1 during the day. The remaining chrome books will go to elementary classes and also to remote learners needing a device at home.

Please spread the word about our school page and contribute if you can! (see link below) Our goal is to have this project fully funded by Thanksgiving.
